

LIFE RESOURCES

—of Northern Michigan, Inc.

June 8, 2021

Dear Community Member,

Life Resources is hosting its first Golf Marathon. As a respected vendor to Life Resources we would like to extend an opportunity to promote your organization at this event. (see attached flyer).

Each sponsor will receive recognition in the event's program guide, a sponsorship sign and mention at the awards banquet. In addition we will be recognizing all of our corporate sponsors in the next newsletter that will go to over 2,000 households and businesses.

Please see this as an opportunity to invest in the ongoing free services to support the babies and families of Life Resources and not an obligation. Your support would be a great encouragement to the ministry as it continues to serve our community by raising-up future leaders. Your support would be an investment into those leaders as well as a positive association with an organization that is making a difference.

Thank you in advance for your time and consideration. Feel free to contact me if you have any questions about the ministry or this opportunity.
